ABOUT US

The company started life in 1991, with two decades' experience in manufacturing it has sewn made-to-order bags in Johor, Malaysia more than 30 years.

We specialize in manufacturing a comprehensive range of bags including recycle bag, tote bag, heavy-duty bag, offshore bag, food delivery bag, and to whatever extends within company capabilities.

PRODUCTION

- R&D
- Winda plot
- Auto cut
- Printing department
- Accessories department
- Sewing department
- Ultrasonic machine

VISION

Visioning to expand company scale, we never hesitate to invest in well-known machines eliminating the possibilities of non-production time. Incorporate technologies support and momentum, we able to to expedite each and every order meanwhile building up our business trustworthy and customers' confidence.

MISSION

Missioning to assist our client acheiving happiness by providing them creative products. We also have a large assortment of exclusive gifts, we attempt to give personalised item in term of color, size and even pricing.

CORE VALUE

We enjoying collaboration as a team and supporting each other every day. We continuing search for creative item and try new things. We are focus on solving the real problems to build a better solution. We place a high value on teamwork and cooperation in order to commit to client satisfaction.

Our warehouse is bursting at the seams with inventory, ready to supply ready-made bags for fast track order.

Silk-screen printing (solid and toning colors), heat transfer, emboss, and embroidery can be added on the ready-made or custom made bags.
